OTHER IMPORTANT INFORMATION**Accelerated Life Benefit**

The Accelerated Life Benefit option is available to help terminally ill insureds during a difficult, and often financially challenging, time. Under this provision, you may request one advance payment equal to 25% up to 75% of your in force life insurance, or \$50,000, whichever is less, to be paid while the terminally ill person is still alive. The amount of insurance payable after death will be reduced by this payment. (Premium contributions will not be reduced.)

This money can be used to help cover high prescription drug costs ... medical bills ... outstanding debts ... to help pay for experimental treatments ... the cost of modifications to your home ... or for a family vacation - the choice is yours.

To qualify, a terminally ill insured must provide ReliaStar Life with a doctor's statement which gives the diagnosis of the insured's medical condition and states that the insured has a life expectancy of no more than 12 months. The insured must also have at least \$20,000 of life insurance coverage. For additional details and limitations, please see the Certificate of Insurance.

Receipt of the accelerated benefit may be taxable, or may adversely affect your eligibility for Medicaid or other government benefits. You should consult your personal tax advisor to assess the impact of this benefit.

Accidental Death & Dismemberment Insurance Option

The Member and Spouse* can elect the same level of Accidental Death & Dismemberment (AD&D) coverage as for Life Insurance coverage. In addition, if you are seriously injured in a covered accident and sustain loss of limb, eyesight or other injuries, a partial benefit may be payable.

AD&D semi-annual costs are \$0.60/\$5,000 if under age 65 and \$0.90/\$5,000 age 65 through 80. Rates shown are guaranteed until June 30, 2024.

Waiver of Life Insurance Premium Disability Benefit

The Member or Spouse* pays no premiums if he/she becomes totally disabled, as defined in the certificate. Your life insurance coverage will continue at no cost to you if you become continuously totally disabled for at least 180 days and if your disability occurs before age 60.
